## Chapter 1: Substance Compliance enhancements

Starting this release, the Substance Compliance solution provides the following enhancements:

- Support for changes necessary for *Amendment 3* of the IPC-1752A standard for requesting a material substance declaration (MSD) from suppliers.
- Ability to **create an MSD for a part** in-house in Active Workspace when your supplier is unable to provide you with one.
- Ability to **review the details of the compliance failure results** that are returned by Compliance Process Manager. The details are listed as failure comments in Active Workspace.
